Publisher: Bloody Mary Comics
Writer: Rick Landis

Price: \$ 2.95 US
Rating: 4 stars out of 5 stars

Comments: Mary has a strange conversation with her dead dad in which she gets no answers. It peaks your interest and gets you wanting to know more. Mary is drawn as a cute gothic girlie. She is more than just a girl though but just what is she is a mystery.

As she moves along wearing her cape she seems like a wrathe of death. With all the ghosts around her she could be.

The best part is the way she can change from cute to scary. Although while cornered she appears scared, helpless before overwhelming odds.

The padre and his little demon familiar you can easily tell are up to no good. Just looking at him will creep you out.

The graveyard scenes with the tombstones and wrought iron fence look eerie. The figures in the distance and the backgrounds further back could use more detail. The cover to this comic is a masterpiece. Mary sitting looking at a ghostly light, while showing off her butt crack. Its eerie and sexy.

Mary is a girl that will work her way into your heart. Just be careful she doesn't cut it out.
